The chairmanship of military affairs, if filled at all, thots fired in quick succession, and a will probably be filled conditionally, so that Gen. Logan may return to the place should he be re-elected to the Senate. Senator Hoar is second on the list of committee, claims but holds the more desirable position of chairman of the committee on privileges and elections and would a second triangle of the committee. on privileges and elections, and would hardly be willing to make the exchange. Senator Pike, who has no chairmanship, stands next, and Senator Dolph fourth on

this committee, holds the chairmanship of the Committee on Railroads, and Senator Mahone, who is third, holds the is thought the wound in the breast will same position on the Committee of Pub- prove fatal. lie buildings. Senator Palmer, who has no chairmanship, and Senator Wilson, who holds that of the Committee on Expenditures of Public Moneys, stand fourth and fifth in membership of this committee. Senator Palmer, it is said, prefers the chairmanship of the Committee on Fisheries,

made vacant by the retirement of Judge Lapham. Senators Sewell and Dawes stand above him on list' but each hold other chairmanships which are equally or more desirable. Senators Hawley, Aldrich, Hale and Conger hold chairmanships of comparatively unimportant commit-tees, and if willing to assume these more responsible positions, now vacant, may be assigned them.

Senator Evarts' eminence as a lawyer and, and ex-Congressman Vance, of has given rise to the expectation that he North Carolina, are candidates for the will be made a member of the judiciary committee, should General Logan not be returned. More important vacancies to be filled by minority are three upon the judiciary committee, created by the re-tirement of Bayard, Garland and Logan, and one each upon commerce, finance, Indian affairs, naval affairs and privi-

leges and elections.

President Cleveland remained quietly at the White House to-day, much to the disappointment of the largest congrega-tion assembled this winter for public missioner of the Land Office, and inti- worship, at the New York Avenue Presbyterian church. The edifice was crowd-ed in every part; chairs were brought in and placed in aisles, and every foot of standing room made available. The immense assemblage listened to an excellent discourse, but the countenances of many, as they emerged from the church, showed but too plainly, that the absence of the president had left an aching void, which even the eloquent sermon had not

### The Afghan Frontier.

LONDON, March 8.—Orders were sent Sir Peter Lumsden, British special com-

The Times, in a leader, urges England to occupy and fortify Herat at once, and check the Russian advance toward the interior of Afghanistan at any cost. It says if Russia wishes to fight England, it says if Russia wishes to fight England, it is not only ready but willing, and Russia has only to say the word.

London, March 8.—The Daily News

states there is a constant exchange of dispatches between the English and Russian governments. "Although there is a possible hope of a peaceful settlement," says the News, "the condition of affairs

Russian batteries and horse artillery in Turkestan and along the Afghan frontier are increased to six guns each.
CALCUTTA, March 8.—The Afgan frontier question is the principal topic of discussipn here, but no anxiety is expressed as to the result. All classes are satisfied with the attitude of the English cabinet, and the remarkable and reassuring display of loyalty throughout the country.

### Tonguin Affairs.

Paris, March 8 .- General Breere De Lisle, French commander at Tonquin, telegraphs that he has relieved the beleaguered garrison at Thuyenquan. He says: We arrived on the 3d instant at Thuyenquan. The Black Flags and Yunnan army had occupied the pass, since which it is inaccessible, and built forts with three lines of benches before Dusc. Fights of a severe nature occurred. Our troops belowed the says a belowed to be a severe of the says are says as the says and the says are says as the says are says are says as the says are says as the says are says are says as the says are says as the says are say troops behaved more admirably than ever. The enemy raised the siege of Thuyenquan yesterday evening, the French garrison having fought eighteen After the first breach in the body of the fortress, the garrison sustained seven assaults and caused immense loss to the enemy. This siege should be counted among the most brilliant pages of our history. The gunboat Mitrailleuse actively assisted in the defenie of Thuy-enquan. General Negrier's column pushed rapidly northward since the cap-ture of Langson. He has now destroyed the line of forts which guarded the Chinese frontier, and blown up the fortifica-tions known as the "Gate of China." Paris, March 9.—Gen. Briere de Lisle

telegraphs the government that his loss during two days fighting te relieve the French garrison at Thuyanqua was 66 the same reasons given for not calling the killed, 133 wounded. The garrison itself militia into action to suppress fence cut-lost 50 killed, 30 wounded. Thirty French

### The English Elephant.

SUARIM, March 8 .- The plan adopted for the defense of the town is as follows: The Indian Contingent will camp on the right of the town and guards on the left, where a semi-circle of redoubts, four hundred yards apart, will be formed eighteen hundred yards from the inner line of defences and connecting with the latter. The water supply is abundant. Osman Digna sent a letter to the British general in command at this place, recording Arab successes, announcing the fall of Kassala as imminent, and warning the English that they would be defeated and driven into the sea if they ventured outside the city.

Korti, March 8.—General Wood has ordered the complete evacuation of Gak-dul by March 4th. Lord Beresford's naval brigade is here. They heard en route that the whole Hassanajieh tribe intended to harras the English retreat. The Mudir of Dongola has started for Merawi.

LONDON, March 9 .- A dispatch from Korti says that the rear guard of General Buller's troops arrived at Korti from Guakdul in a terribly fatigued condition.

# Russia's Offer.

to the Times says: The Russian government sent an official offer to England to carrying immigrants shall not be allowed withdraw the Russian frontier from the to pass after to-day. The coal heavers hills bordering on Herat, but states it will to-day joined the strikers at Sedalia. not retire troops from positions occupied at Heri Rud, or Penjdeh, which, Russia cash March; 80½ May.

night sent a man to Boyce, Louisiana, on the Northern Pacific Road to bring engines from there. He disabled two engines, brought one to Marshall where the fire strikers.

reasonable assistance; but few of the section men are at work, and risk of passenger traffic is thereby increased at Denison. There is no change in the strike. Everything quiet. A bridge on the Northern Pacific near Durant, I. T., was burned last night. The strikers allowed the company to take enough material to repair the bridge from here.

Sedalia, Mo., March 8.—Four hundred shopmen, hostlers and wipers of the Missouri Pacific Railroad at this place struck this afternoon. It is understood that nothing but locomotives with mail cars will be allowed to pass here. The car inspectors struck to-night.

At Monongahela City, Pa., the river coal miners' convention is in session, representing 8,000 men, and to-day resolved to demand 3 cents per bushel on

ernor Ireland has been asked to send troops to break the dead-lock along the is as responsible for any loss arising out of the restraint of their property as the city of Pittsburg was for the destruction legislation "against the tyranny of unre-

strained capital." St. Louis, March 8.—Striking shopmen on the Wabash road met in secret session sistance from the Knights of Labor. Martin, superintendent of the car service on the Wabash system, claims the strike over. He says more men are applying for work than can possibly be employed. A rumor is current here that Toledo, Peoria and Decatur men will quit work to-

GALVESTON, Tex., March 8 .- The Galveaton News special, from Palestine, Texas, states that the strikers at another meeting this morning, determined to hold out against the recent reduction of

wages. Order prevails.

No freight trains are allowed to leave on Mo. Pacific road to-day. The leaders of the strike say that if terms are not granted by Tuesday noon, they will allow nothing but engines and mail cars

to move. Times' Atchison, Kansas: Mo. Pacific LONDON, March 8.—A Russian dispatch | strikers stopped freight trains to-day, permitting cattle trains, however, to go through. They state that freight trains

passed a restless night but slept from five to eleven a.m. This afternoon Doctors Barker and Douglas, together with Dr. Shrady, held a consultation and pronounced the patient generally better.

From the World of Monday: A rumor is current that General Grant's ailment is English and American vessels en route to Tonquin by a French man-of-war. Serious that the sinking spells to which he has been subject for some time and which leave him in a very weak condition are produced by trouble with his heart. His sudden abstinence from tobacco is said to have developed this feature of his malady, if it was not one of the contributing

causes to produce it. It is reported that at the General's urgent request, Rev. Dr. John P. New-man, formerly of the Madison Avenue Presbyterian Church, now in California, has been written to concerning the for-mer's condition, and he has been asked to visit the Grant family as soon as possible. General Grant's condition showed con-tinual improvement to-day. Col. Grant said when his father awoke this morning he felt much refreshed and was in a more

#### The Transcontinental Fast Freight Scheme Омана, March 8.—Active measures

have been employed by all roads conquota of cars at the local shops, all equipped with Westinghouse air brakes and other modern improvements. Other allied roads announce their preparations, and to-day 1,000 cars are available. On or about the 16th the first train will be started and the new line formally inaugurated. The Central Pacific forms the western connection, while the Rock Island, Wabash and Milwaukee roads cooperate on the east. It is intended to make the fastest transcontinental freight time on record, and the success of the new venture is preassured. Samuel Debow, a veteran fast freight manager, has been elected superintendent. All traffic will be via Omaha.
